

# Chosen Gotz Happy Kidz Anoushka

You have been redirected from My Doll Best Friend for accessing a restricted page

- 250 customers were selected at random earlier this month to purchase Anoushka
- Unless you are one of those people invited to buy an Anoushka doll then there is unfortunately not one for you
- There are no further Anoushka dolls available for the general public as she is a Limited Edition, and all dolls have been allocated to buyers
